 Glider Colours..... Valid Warrant of Fitness Y / N Hours.....
 Period of Grounding: From..... to.....

Reasons for Grounding:

.....

Rectification Suggested:

.....

This recommendation to ground a glider is issued to the above pilot due to the **non-conformance** and/or **non-compliance** with laid down procedures stipulated in the New Zealand Hang Gliding and Paragliding Association (Inc.) Organisation and Procedures Manual concerning glider airworthiness. The recommendation to ground must be discussed with the pilot concerned and rectification of the situation should be laid out within a specified time frame.

The concerned pilot has a right to appeal as laid out in the [Constitution](#). (Part 2)

Hang glider and paraglider grounding can only be executed by the Flight Safety Committee using [OPMF10](#) after written submissions from the following: Operations Manager and/or Organisation Safety Officer.

Copies of this notification shall be sent to the concerned pilot's Member Organisation President, Operations Manager and NZHGPA Administrator.
